Verse 1

I was lost and uncertain, was so insecure
Then you came and showed me there was more
Found life in abundance that you freely gave
Now I'm gonna live to bring you praise

Pre-Chorus

Yeah, all my life, I wasted searching
I was lost, now found
'Cause I heard your voice, you called me yours
Your child, now I'll never be alone

Chorus

Yeah, 'cause I'm with you, I'm gon' be alright
Oh, oh, with you by my side
Yeah, through it all, Lord, you've always been my guide
Oh, oh, you've been there for my whole life
So I know I'm gon' be alright

Instrumental

C - Am - Em - G - D

Verse 2

I won't second guess it, I'm fully assured
That Lord you would lead me through it all
Found strength in your promise
That you'll never leave me
Forever I'll run to where you call

Yeah, all my life, I wasted searching
I was lost, now found
'Cause I heard your voice, you called me yours
Your child, now I'll never be alone

Oh, oh, with you by my side
Yeah, through it all, Lord, you've always been my guide
